The first book in Nora Roberts' Gallaghers of Ardmore/Irish Trilogy, Jude Murray has come to Ardmore in Ireland to write a thesis on myths and legends and how they relate to psychology. While there she meets the handsome Aidan Gallagher, local pub owner and hottie. This had a slightly dated feel to it and ran at a rather slow pace for me. It also didn't feel completely finished. Like there needed to be an epilogue or something. But it is a series so I guess the future books will address the ...

In the character of Jude Murray, Nora Roberts has created a sophisticated woman whose internal development from skittish recluse to confident lover is realistic and convincing. Carefully avoiding the "good man is a solution to all problems" plot, Roberts lets Jude and Aidan interact and develop individually, as well as together as a couple.

I have read another of Nora Roberts' trilogies (three sisters island) and loved that. Reading Jewels of the Sun, I started to recognise the formulae. There's nothing wrong with that--I'm very happy with a well-written romance-with-a-bit-of-magic set-up. It's just that in this case I wasn't entranced by the setting or the characters. They were all perfectly lovely and readable, but not truly ...
