B.J. Daniels' life dream was to be a policewoman. After a career as an award-winning newspaper journalist, she wrote and sold 37 short stories before she finally wrote her first book. Since then she has won numerous awards including a career achievement award last year for romantic suspense.

BJ Daniels is one of my favorite Harlequin authors. She manages to put interesting characters into bad situations and keep the pressure on. Twelve-Gauge Guardian starts with an intriguing scene and keeps getting better as it goes. It's tightly plotted with lots of action.

Twelve-Gauge Guardian starts with an intriguing scene and keeps getting better as it goes. It's tightly plotted with lots of action. The main characters run into problems everywhere they turn, and the main crime is one no one can tolerate, but Ms. Daniels handles it well. For those who like Harlequin Intrigue novels, I highly recommend this book--and everything else I've read by BJ Daniels.
